## Empowering New Book for Adolescent Girls Offers the Essentials and the Funny

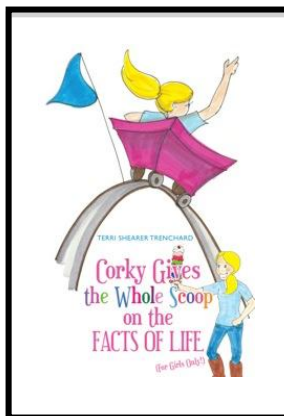

Ellicott City, MD—March 6, 2014—Preteens should be empowered by the truth, not overwhelmed by it. That's the light-hearted approach offered in *Corky Gives the Whole Scoop on the Facts of Life* (ISBN 97814757212044, paperback, 145 pp., 5 ½ x 8 ½, \$19.99). Written by celebrated author Terri Shearer Trenchard, Corky is the all-inclusive source for **what girls need to know, when they need to know it**.

Designed for girls ages 9-13, Corky goes beyond typical books on growing up, and leads girls on a humorous and fact-filled journey about everything from pimples, bras and “fitting in” to menstruation and the *basics* of reproduction. *Corky* is a must have for any girl or family embarking on the puberty and “facts of life” topics. Entertaining and engaging, Corky is the friend who truthfully tells girls about puberty, while encouraging them to open up to their parents and caregivers.

Trenchard has a master’s degree in Education and Human Development from The George Washington University, and a bachelor’s with a concentration in Psychology from Bucknell University. She lives in Ellicott City, Maryland with her husband and their two children.

Her books, including *Bork Reveals the Real Deal about the Facts of Life (written for boys, 9-13)*, are available for sale at [www.factsoflifebooks.com](http://www.factsoflifebooks.com), Create Space, Amazon, as well as local retailers including the Winchester Book Gallery, Elegant Style Boutique & Design, Greetings and Readings, and Kolache Creations.
